

**Fair Play Camp School** is for boys, ages 8 to 17, who are experiencing behavior/emotional problems and agree to placement because of a desire to change. They live in one of the four campsites which is home to ten boys and two counselors, who are called Chiefs. The average length of stay is 18 months. The combination of mentoring by a chief and positive peer pressure from a group leaves a lifelong impact on a boy. The structure of camp provides a safe place for a boy to begin to put his life together.

Camp opens the opportunity for life change that will impact boys and their families for years to come. A former camper reflecting on his experience at camp 15 years ago, commented, "I didn't take it real seriously at the time. But looking back, I realize that if I hadn't gone to camp, I would now probably be either in jail or dead. Camp helped me get my life on track."

**To love God and to make Him known-  
that is the whole purpose of our existence.**

Jesus said in Matthew 19:14

"Let the little children come to Me, and do not forbid them; for such is the kingdom of heaven."

Vacation Bible School is a great opportunity for these two principles to meet. VBS workers have the privilege of telling children that come to WBC about God and have a tremendous impact on their world. The **2018 Vacation Bible School will be June 18-22**. Please mark your calendars now and commit to helping with VBS! Please contact the VBS Director, Tonya Sawyer, with any questions.
