WELCOME

a place to belong

welcome

January 19, 2020

Welcome to Westminster Baptist Church (WBC) this wonderful Sunday morning. We're so glad you have chosen to worship with us.

Jude was the half-brother of Jesus Christ. Jude had known Jesus all his life. Jude knew exactly who Jesus was and how the members of the church should behave. Jude warns against those who, having gained admission to the church, were perverting the grace of God. Join us today as we explore The Enemy Within as described by Jude and how we can overcome this enemy.

If you are a guest, we extend a very special welcome to you and hope that you will find WBC a place to belong in God's family. Our prayer is that you will find encouragement from God's Word. Please be sure to stop by CONNECT CENTRAL after the service to say hello.

Blessings to you, Pastor Dave.

Prayer Prompt: The news media has focused much attention on the Nation of Iran in recent days. What do the increasing tensions and violent exchange mean for the church in Iran? According to Operation World, Iran is home to the fastest growing church. Iranians have seen the hopelessness of Islam as their government tells them everything government leaders do is in service to Allah. After 40 years of such "service" the country's economy is in shambles and the rate of drug addiction is among the highest in the world. Jesus Christ is at work in Iran amid the protests, threats, and missile launches. Please pray for these Iranian Christians during this crucial time in their Nation's history.
