Embracing the Cross of Christ:

RESPONSE

Day By Day

PARTING PRAYER

connect | grow | serve

We live each day with some aspect of uncertainty. This uncertainty causes many people to search for hope, assurance, or peace in the things around them: possessions, savings, abilities, knowledge, and the list could continue. Yet, we all know that without our health, none of those things really matter. However, for the believer in Jesus, we have a solid foundation of hope, peace, and joy, even in the midst of the unknown and uncertain, because of the Cross of our Savior, Jesus, the Christ. As we navigate these uncertain days, I pray we will look unto Jesus our Rock and our Redeemer. He already knows the number of our days here on this earth and has already prepared a place for those who trust in Him for all eternity. Sure, we live during uncertain times, but we don't serve an uncertain Savior. Embrace all that He has done for you at the Cross so that you might have Faith rather than fear!

Amid concerns surrounding the Coronavirus (COVID-19), we want to let you know how Westminster Baptist Church (WBC) is responding. Our leadership is carefully and continually monitoring this situation. As new information becomes available, we will respond to you by way of email and Facebook (if necessary, by phone). We are committed to doing everything we can to provide a safe environment for our church family and surrounding community as an expression of our love for God and for others (Matt 22:37-40).

At the present time, WBC will cautiously continue our Sunday gathering at 10:30 a.m. with appropriate "social distancing." However, to follow the recommendation of our governmental leaders we will suspend our Small Groups (Sunday School) until further notice. As of this time, all Wednesday evening activities are also cancelled.

We love and greatly appreciate our Seniors in our fellowship and want to encourage them to take precautionary measures to stay away from large groups. We are fortunate to broadcast our Worship Service with our friends at WGOG 101.7 radio and have the ability to Livestream our services at our Facebook page.

Those who are at "high-risk" for the virus, I want to encourage you to use the radio or Facebook as a means to remain connected with our Sunday service.

You can be actively engaged in helping us get the word out by giving us your up-to-date contact information: address, phone number, email. If you are receiving this letter from another member of the congregation because you did not receive it personally (and you have an email account), please contact the church office immediately and update your contact information with our Administrative Assistant, Kathy Burns.

We will be updating our webpage at wbc.life, Facebook, and sending out email announcements on a weekly basis. We are also looking into a phone tree for voice mail announcements for those who do not have access to email. Therefore, current contact information is of utmost importance.

I am so glad I can speak with great certainty of the Love of Jesus even when our world is so uncertain. Keep your gaze upon Him. Pray regularly for how you can be used to share the hope and assurance you possess in God's Loving Grace. I am here for you and love each of you!

For HIS Glory,
David Walker, Pastor

Psalms 115:1

Not to us, Lord, not to us but to your name be the glory, because of your love and faithfulness.
