## Faith Alone

Romans 3:21-26

THE RELEVANCE OF THE REFORMATION — Part 4 of 5

### Salvation

Salvation involves the redemption of the whole person, and is offered freely to all who accept Jesus Christ as Lord and Savior, who by His own blood obtained eternal redemption for the believer... There is no salvation apart from personal faith in Jesus Christ as Lord....

Article IV, Baptist Faith and Message, 2000

Justification is an act of God by which He declares sinners to be righteous by grace alone through faith alone because of Christ alone.

What is justification?\*

- The source is God and His grace.
- The ground is Christ and His cross.
- The means is faith that receives His gift.

What is saving, biblical faith?

- ① Something to know.
- ② Something to believe.
- ③ Something to commit.

# our vision

# welcome

October 22, 2017

Thank you for choosing to worship with us! You are an important part of the Westminster Baptist family today. Five hundred years ago Martin Luther nailed his 95 theses to the Wittenberg church door which launched the historic protestant reformation. **The Relevance of the Reformation** series continues this morning with *Faith Alone*. I hope you have received by faith the gift of eternal life that God's grace makes possible. —Randy Keasler, Pastor
