### Centri-Kid Children's Camp July 3 - 7 at Gardner-Webb University

We have 8 students going to Centri-Kid Camp at Gardner-Webb University this summer. This summer we will embark on an epic adventure as we learn why Jesus Christ in the One, True Light. In a world full of darkness and false lights, we will show campers how the one, true Light of Jesus Christ can show us the way, bring us life, and shine through us. As our key verse John 8:12 says, when we follow the One True Light we will never walk in darkness but will have the light of life. Students will do their Bible study and recreation in the morning and then spend time in 3 different track times each afternoon learning new skills that interest them. Each day will then end with an awesome worship experience. Pray for these students as they prepare to have their lives changed while at camp.
